Carolina Water Service provides our water

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

Carolina Water Service is planning an increase in price for their water service. I have never paid such high prices for water, I relocated here from Long Island, New York where we paid monthly approximately \$47.00. We paid last month here \$160.00 that is an outrage. In a time when people are losing their jobs and unable to get new jobs, they are proposing to increase our prices when they are already outrageously high. Many of us took poles and asked our friends on Facebook how much do they pay for water & sewer and this companies rates are the highest.

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? *
(This section should be completed.)

I am unable to attend as I have small children to take care of.
